Michael Jackson performed the "Moonwalk" for the first time on March 25, 1983 at 20:00pm

Michael Jackson performed the "Moonwalk" during a performance of "Billie Jean" on Motown 25: Yesterday, Today, Forever on March 25, 1983. The dance move made Jackson a celebrity overnight, **Moon** is the target to sequence. *Zi Wei Dou Shu* Star *Selene (Tai Yin)* is the equivalent of Moon. *Se* is the abbreviation of the *Selene (Tai Yin)*. With the intervention of four fundamental forces, *Se* becomes *sSe*, *eSe*, *gSe*, and *wSe*. Note: Michael Jackson was born on August 29, 1958 at full moon night around 22:59pm in Gary, Indiana.

Macroview Human Behavioral Sequencing

Macroview Human Behavioral Sequencing enables us to observe one's strengths and weaknesses within a decade. Zi Wei Dou Shu names this observation as "Da Xian" literally means "Big Limitation" or simply called the "Decade Limitation", the Ten-Year Destiny. There are six types of sequencing: Conscious Mind (CM) in relation to Body Motion (BM), CM→BM; Parents (PA) in relation to Body Organs (BO), PA→BO; Bliss (BL) in relation to Cash Flow (CF), BL→CF; Sexual Desire (SD) in relation to Shelter (SH), SD→SH; Action (AC) in relation to Couple (CP), AC→CP; Sibling (SI) in relation to Friends/Subordinates (FR), SI→FR. Because of Selene (Tai Yin) is located in the Bliss zone and therefore the target of sequencing is: Bliss (BL) in relation to Cash Flow (CF), BL→CF. Note: Quantum Age − a person's age starting at Age 1 right from the time of his/her birth and which automatically increases by one right after Chinese New Year, regardless of his/her birth month and birthday. Note: The terminology of forces used in the sequencing chart: Fundamental Forces, the forces that based on one's birth celestial pole; Spontaneous Forces, the force that acted by zone celestial pole without outside force.

Spontaneous Forces (the fo acted by zone celestial pole without

The Important of Four Forces

Spontaneous Forces (the force that acted by zone celestial pole without outside force)

The Spontaneous Forces trigger off spontaneous behavior. Nobody is asking you to do it but you do it according to your wishes. Not everyone's behavioral model has the spontaneous force, but some behavioral models consisting more than one.

When the zone pole triggered two spontaneous forces (also known as Duo Stars Self Transformation) or three spontaneous forces (also known as Triple Stars Self Transformation), we can interpret that the zone has a mixed interactions. If Self-triggered strong force (s), electromagnetic force (e), and/or gravitational force (g), the positive forces, we can interpret that the zone has a smooth interactions, i.e. make perfection more perfect. If Duo Stars Self Transformation or Triple Stars Self Transformation consists self-triggered weak force (w). the negative force, we can

Youth Behavioral Forces

(Quantum Age 23-32)

Youth begins to act more mature and make more logical decisions. If things go reasonably well, most people by their late twenties can be expected to have explored enough, prepared enough, and trained enough, to have found some activity or situation in which they may now regularly produce goods or services of social value. Many too, will be living together in established long-term partnerships.

Recessive Chart

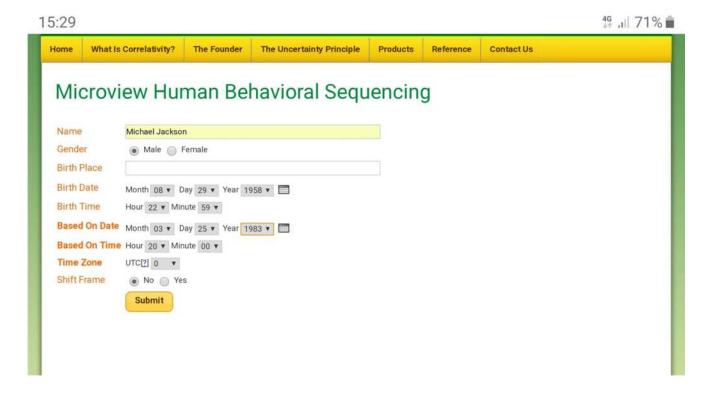

Microview Human Behavioral Sequencing

Microview Human Behavioral Sequencing enables us to observe one's strengths and weaknesses within a year, a month, a day, and every two hours. *Zi Wei Dou Shu* names this observation as "*Xiao Xian & Liu Nian*" literally means Small Limitation (Year Limitation) & Passing Year, "*Yue Xian & Liu Yue*" literally means Month Limitation & Passing Month, "*Ri Xian & Liu Ri*" literally means Day Limitation & Passing Day, and "*Shi Xian & Liu Shi*" literally means Hour Limitation & Passing Hour. The words of "Limitation" and "Passing" indicate "Yin" and "Yang" respectively.

Smart Digital Planner:

Sequencing 1: CM↔BM: When is the peak state of consciousness or best time to travel abroad?

Sequencing 2: PA↔BO: When is the healthier time of body?

Sequencing 3: BL ← CF: When is the best time to invest or to get blessing? Sequencing 4: SH ← SD: When is the best time of fertility or moving house?

Sequencing 5: AC↔CP: When is the best time to start a new business or to get married?

Sequencing 6: FR↔SI: When is the best time of entering into joint ventures?

Bliss (BL) in relation to Cash Flow (CF) can observe a person's spiritual cultivation, material life, etc. There are **13 positive forces** (the highest positive forces among the 6 types of sequencing) and **5 negative forces** (the highest negative forces among the 6 types of sequencing) in the sequencing list. The spiritual and the material world of Michael Jackson have been improved, and fame has also brought him mental stress.

Bliss Zone: Decade Limitation Forces (Dominant) appears gSelene (Tai Yin), eSelene (Tai Yin), Year Limitation Forces appears sSelene (Tai Yin), Passing Year Forces appears gSelene (Tai Yin), coincident with Fundamental Force's eSelene (Tai Yin) and Spontaneous Force's gSelene (Tai Yin) – Michael Jackson was a talented visual artist (He was possessed by the Moon's Primordial Energy Field).

Cash Flow Zone: Decade Limitation Forces (Dominant) appears wAthena (Tian Ji), Year Limitation Forces appears gAthena (Tian Ji), coincident with Fundamental Force's wAthena (Tian Ji), Spontaneous Force's gAthena (Tian Ji), and Pluto (Lu Cun) – Michael Jackson's extraordinary dancing skill brought him wealth. Note: Decade Limitation Forces (Dominant), Decade Limitation Forces (Recessive), Year Limitation Forces, and Passing Year Forces are the main forces leading body amino acid level change, i.e. the destiny change.
