The midnight premiere of "The Big Boss" on October 23, 1971made Bruce Lee a celebrity overnight

Bruce Lee returned to Hong Kong from the United States in the summer of 1971. He was invited by Hong Kong Golden Harvest Film Company to sign two films with a remuneration of \$15,000. The first film is "The Big Boss" the martial arts action film, expecting \$100,000 box office. The script of "The Big Boss" is written while shooting. Midnight premiere of "The Big Boss" on October 23, 1971made Bruce Lee a celebrity overnight. Bruce Lee was born in Chinatown, San Francisco on November 27, 1940 at 7.20am (dragon hour). He is often credited with helping to change the way Asians were presented in American films and he is the first Asian actor to enter Hollywood. We therefore select Conscious Mind (CM) in relation to Body Motion (BM), CM↔BM and Bliss (BL) in relation to Cash Flow (CF), BL↔CF for sequencing respectively.

Macroview Human Behavioral Sequencing

The Important of Four Forces

Spontaneous Forces (the force that acted by zone celestial pole without outside force)

The Spontaneous Forces trigger off spontaneous behavior. Nobody is asking you to do it but you do it according to your wishes. Not everyone's behavioral model has the spontaneous force, but some behavioral models consisting more than one.

Gravitational Force												
Weak Nuclear Force						wAt						

When the zone pole triggered two spontaneous forces (also known as Duo Stars Self Transformation) or three spontaneous forces (also known as Triple Stars Self Transformation), we can interpret that the zone has a mixed interactions. If Self-triggered strong force (s), electromagnetic force (e), and/or gravitational force (g), the positive forces, we can interpret that the zone has a smooth interactions, i.e. make perfection more perfect. If Duo Stars Self Transformation or Triple Stars Self Transformation consists self-triggered weak force (w), the negative force, we can interpret that the zone has an agitated interactions, i.e. a defect that spoils perfection

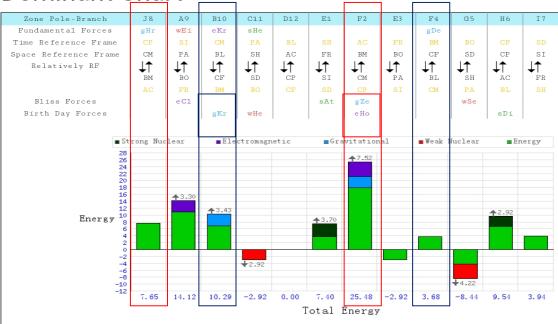

Youth Behavioral Forces

(Quantum Age 23-32)

Youth begins to act more mature and make more logical decisions. If things go reasonably well, most people by their late twenties can be expected to have explored enough, prepared enough, and trained enough, to have found some activity or situation in which they may now regularly produce goods or services of social value. Many too, will be living together in established long-term partnerships.

Smart Digital Planner:

Sequencing 1: CM \leftrightarrow BM: When is the peak state of consciousness or best time to travel abroad? +10&0

Sequencing 2: PA↔BO: When is the healthier time of body? (also imply Fitness) +7 & -1

Sequencing 3: BL↔CF: When is the best time to invest or to get blessing? (also imply Indulgence) +3 & -6

Sequencing 4: SH↔SD: When is the best time of fertility or moving house? +8 & -2

Sequencing 5: AC ← CP: When is the best time to start a new business or to get married? +4 & 0

Sequencing 6: FR↔SI: When is the best time of entering into joint ventures? (also imply Cooperation Scene) +5 & -8

Conscious Mind (CM) in relation to Body Motion (BM) appears 10 positive forces and 0 negative forces in the sequencing list. Zeus (Zi Wei), Ze, King and father of the gods, the ruler of Mount Olympus and the god of the sky, weather, thunder, lightning, law, order, and justice. He personified superior, precious, huge, and modest. With the intervention of electromagnetic force (e) and gravitational force (g), Ze becomes eZe, gZe, prestige and popular leader. Hermes (Tian Xiang), Hr, God of boundaries, travel, communication, trade, language, and writing. He personified boundaries, travel, hotel, communication, trade, film industry, garment, and communication. He also personified boastful, humane, friendly, tasteful, and aesthetic. With the intervention of gravitational force (g), Hr becomes gHr, famous actor. Horme (Po Jun), Ho, God of impulse or effort (to do a thing), eagerness, setting oneself in motion, and starting an action. He personified sea water, sewage, galvanization, and petroleum. He also personified impatient, innovative, risk-taking, forward, and confronting. With the intervention of electromagnetic force (e), Ho becomes eHo, prestige pioneer. Iolaus (Zuo Fu), Io, Nephew of Heracles who aided his uncle in one of his Labors. He personified aid. With the intervention of gravitational force (g), Io becomes gIo, unexpected helped by others. Lampsace (You Bi), La, A semi-historical Bebrycian princess honored as goddess for her assistance to the Greeks. She personified assistance. With the intervention of gravitational force (g), La becomes gLa, unexpected helped by others.

Bliss (BL) in relation to Cash Flow (CF) appears 3 positive forces and 6 negative forces in the sequencing list. Kratos (Wu Qu), Kr, God of strength, might, power, and sovereign rule. He personified strength, martial arts and expenditure. He also personified straightforward, impartial, determined, systematic, and impassive. With the intervention of electromagnetic force (e), gravitational force (g), and weak nuclear force (w), Kr becomes eKr, gKr, wKr, prestige, famous, and ultimate martial artist. Demeter (Tian Fu), De, Goddess of grain, agriculture and the harvest, growth and nourishment. She personified grain, agriculture and the harvest, growth, and nourishment. She also personified real, conceited, self-assertive, commercial, splendid, and neat. With the intervention of gravitational force (g), De becomes gDe, commercially success. Ares (Qi Sha), Ar, God of war, bloodshed, and violence. He personified war, bloodshed, violence, independence, rebellion, and bravery. With the intervention of weak nuclear force (w), Ar becomes wAr. In reality, it symbolizes bloody event. In movie scene, it symbolizes practical Kung Fu performance, negative forces becomes positive forces.
